Yes, the supply was inspected as Aqua IL - University Park on November 25, 2013. University Park became part of Aqua IL-Kankakee in December 11, 2017. Aqua IL-Kankakee was inspected on March 27, 2019.

All water systems are inspected at 3 year intervals. We are backlogged at the Elgin Office due to being down two engineers at the Elgin Office.

Steve, can you confirm that the last sanitary survey for University Park was November 25, 2013? I just wanted to make sure there wouldn't have been a visit more recently that hadn't been reported to SDWIS/State yet. Also, I do know that the SWP systems are lower priority which would also make sense for the 2013 date. Thanks.
